

Yo! Hello from the Aboriginal Child Development Centre

What we do:

We provide services to all First Nations families, and these services are led by your family goals. We follow your lead, and your child's development. While we all have different roles, we all have one important role in common, and that is to help our families with their child's goals and developments.

You might see us here at Laichwiltach Family Life Society, in their daycare, Head Start or Strong Start, a park or in your home.

We see families locally here in the Campbell River Area, Quadra & Cortes Island, Gold River and Sayward.
